UNITED STATES DISTRICT COURT

AT SEATTLE

KYLE LYDELL CANTY,

Case NO. 2: 16-cv-01655-RAJ-JPD

Release OF Home Addresses

OF King County employees

Official Notice With Exhibits

("First Missile Strike")

Plaintiff,

VS.

CITY OF SEATTLE, et al

Defendants.

Statement of issues

Should the Plaintiff Kyle Lydell Canty spare any county employees for their involvement? The answer is simply Hell no. Not even the half-brother of Quincy Jones will be able to stop this!

Kyle Lydell Canty
77 S. Washington St.
Seattle WA, 98104

Statement of Facts

1. King County's Employees and Contracted employees continue to annoy the plaintiff Kyle Lydell Canty, even though by now everyone should know and understand the plaintiff's capabilities.
2. The Plaintiff Kyle Lydell Canty indeed has the first names, last names, and middle initials of all of the King County employees therefore; he has all of their home addresses also.
3. The plaintiff Kyle Lydell Canty was once upon a time a skip tracer, you idiots do the math
4. The plaintiff Kyle Lydell Canty is connected with some very powerful individuals who are at the top of the food chain and way above everyone's pay grade and clearance.
5. King County would have to be the dumbest Corporation known to mankind, for them to continue to make costly mistakes is just plain suicide.
6. None of this would not be possible if it wasn't for the very messy Defendants thanks lol

Conclusion

Revenge is a very normal emotion when faced with the type of conspiracy and corruption that has been committed against the plaintiff in both of his criminal cases, which prompted this civil case that sits before the federal district courts of Western Washington at Seattle. The plaintiff will exercise his guaranteed constitutional rights under the first amendment,(Freedom of Speech/Expression) of the United States Constitution. This is an information war, thus the plaintiff Mr. Kyle Lydell Canty wins and you all lose. "Laugh now cry later."
